

INT. BEDROOM - NIGHT

A news report plays.

JOHN  
Come on, get in bed.

ANNA  
You're not worried about being  
broken into?

JOHN  
No, and you shouldn't be either.

John grabs the remote and turns the TV off.

JOHN (CONT'D)  
We'll never get broken into here.  
Plus, you remember the number for  
the gun safe, right?

ANNA  
Um... 37...9?,,,

JOHN  
37950. You remember the number for  
911?

Anna smiles.

ANNA  
You mean 911?

John smiles too.

JOHN  
Yeah, very good.

She chuckles, they kiss.

ANNA  
I'm gonna miss you tomorrow, baby.

JOHN  
I'll miss you tomorrow.
